PROCEDURES

GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer families the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Provide reassurance to the family that they may stay with their child for as long as they choose during orientation and once the child commences
- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
 - they can leave their child initially for a shorter day, gradually increasing the length of time
 - they may call and speak to their child's early childhood teacher or educator(s) at an agreed time
 - the early childhood teacher/educators will keep them informed on how their child is settling in
 - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
 - send an email during the day to update the family on their child including a photo of the child (if the child has settled in) (*refer to the information and Communication Technology Policy*). **Note:** For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
 - asking the family how they have settled in and if they have any questions or concerns.
- Refer to *Attachment 2* for the general kindergarten registration and enrolment procedures
- Refer to *Attachment 5* for cancellation of enrolment and non-attendance procedures.

BACKGROUND AND LEGISLATION

BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

All eligible Victorian children (*refer to Definitions*) will have access to two years of Free kindergarten before commencing school. Where demand is higher than availability, approved providers must adhere to their eligibility and DE's Priority of Access criteria (*refer to Definitions and Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in DE's Kindergarten Funding Guide (*refer to Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in a central registration and enrolment scheme are required to comply with the registration and/or enrolment procedures of that scheme.

The Central Registration and Enrolment Scheme (CRES), co-designed by DE provides access to families to register for and secure a place for their children in kindergarten. It is a collaborative model that brings together councils, service providers, MCH staff, support services and other stakeholders to support children and their families. Currently more than half of all local councils across Victoria operate a form of central enrolment or central registration scheme. These schemes provide a single point of entry for families, simplifying the kindergarten enrolment process and improving equity of access.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*).

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. approved provider, nominated supervisor, notifiable complaints, serious incidents, duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

Access to Early Learning (AEL): is a early intervention program for a child who is at least three years old on April 30th in the year of enrolment. It aims to provide intensive support to eligible families with multiple and complex needs, assisting them to access universal kindergarten programs.

Australian Immunisation Register (AIR) Immunisation History Statement: The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable).

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

Children/families experiencing vulnerability and/or disadvantage (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

Central Registration and Scheme (CRS): CRS provides an equitable and transparent application and allocation process, enabling families to access local kindergarten services within a local government area, helping them secure a place that meets their needs and enabling funded kindergartens to work collaboratively with other services to engage vulnerable and disadvantaged families.

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the annual confirmation in April DE considers that this child has not accessed a year of funded kindergarten and is therefore eligible for a DE funded kindergarten place in the following year.

Early Start Kindergarten (ESK): Early Start Kindergarten provides eligible children with 15 hours of free or low-cost kindergarten each week led by a qualified Victorian Institute of Teaching (VIT) registered teacher. ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- The family have had contact with child protection.

These children can also access free or low cost year-before-school kindergarten through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

Early Start Kindergarten extension grants: provides eligible children with 15 hours of free or low cost kindergarten each week led by a qualified VIT registered teacher. The ESK extension grants are available to children attending kindergarten in the year-before-school and are:

- not eligible for the Kindergarten Fee Subsidy

- from a refugee or asylum seeker background, or Aboriginal and/or Torres Strait Islander, or
- known to child protection.
- A child is not required to access ESK in the previous year to access the ESK extension grant.

Eligible child: as defined by the Victorian DE Kindergarten Funding Guide:

- a child who is at least four years old on 30 April in the year of attendance; enrolled for at least 15 hours per week or 600 hours per year in a Four-Year-Old Kindergarten; and not enrolled at a funded kindergarten program at another service
- a child who is at least three years old on 30 April in the year of attendance and is enrolled in a funded Three-Year-Old Kindergarten for a minimum of 5 hours per week
- any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicates that the child is fully vaccinated for their age or who qualifies for the 16-weeks grace period

Enrolment deposit: A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service (*Refer to Free Kindergarten Fees policy*)

Enrolment record: the collection of documents which contains information on each child as required under the National Regulations (*Regulations 160, 161, 162*) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

Kindergarten registration fee: a payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service, if applicable. (*Refer to Free Kindergarten Fees policy*)

Kindergarten registration form: The process of families providing initial information about their child to confirm their intention to enrol in kindergarten, administered by the CRES Provider (*refer to Definition*) or by the kindergarten service. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten (*refer to Attachment 3*)

Grace period: allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (*refer to Definitions*) or when the statement is assessed as not being up to date. Services complete the grace period eligibility form with families during enrolment and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (*refer to Definitions*) and to encourage families to access immunisation services.

Local Government Area (LGA): a geographic area governed by a local council or shire.

Priority of access: in instances where more eligible children apply for a place at a service than there are places available, the service must allocate places using the criteria outlined in the DE Kindergarten Funding Guide (*refer to Attachment 1 and Sources*).

Registration: The process of families and carers giving initial information about their child to confirm their intention to enrol in kindergarten, administered by the service provider/EYM/CRES Provider. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten.

School Readiness Funding: funding provided by DE for programs and supports that builds the capacity of kindergarten services, educators and families to support children's learning and development outcomes.

Second year of funded four-year-old kindergarten: second year eligibility may be considered when a child shows delays in key

outcomes of learning and development. An assessment is carried out for each child by an early childhood teacher in Term 4 (the year before the child is to attend school) when a second year is being considered.

AUTHORISATION

This policy was adopted by the approved provider of Tunstall Square Kindergarten on 19th June 2023.

REVIEW DATE: May 2024

ATTACHMENT 1. ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA

FOR A FUNDED KINDERGARTEN THREE OR FOUR-YEAR-OLD KINDERGARTEN PROGRAM

The approved provider must notify all families of the priority of access (PoA) policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children based on the Department of Education (DE) criteria listed in the table below
- work with other local kindergarten services and the regional DE office to ensure all eligible children have access to a kindergarten place.

These criteria must be used by the approved provider when prioritising enrolments. Guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central registration and enrolment scheme, the CRES provider will allocate places in accordance with DE's PoA criteria, and other local criteria if applicable

Services must first apply the DE's PoA criteria, and following this may apply locally developed criteria, as per examples below.

All information relating to PoA criteria should be respectfully collected from families upon enrolment, recorded in the child's confidential enrolment record and entered into the Kindergarten Information Management (KIM) system, where applicable.

DE's Priority of Access criteria

High priority children	Criteria and processes for verifying need(s)
Children at risk of abuse or neglect, including children in Out-of-Home Care	<p>The child is:</p> <ul style="list-style-type: none"> • eligible for ESK or AEL, and/or • family, carer or legal guardian identifies the child as known to Child Protection or in out-of-home care, and/or • referred by one of the following: <ul style="list-style-type: none"> • Child Protection • Child and family services (family services referral and support team, Child FIRST/integrated family services/Services Connect case worker) • Maternal and Child Health nurse • out-of-home care provider.
Aboriginal and/or Torres Strait Islander children	As part of the enrolment process, service providers must respectfully ask families 'is your child Aboriginal and/or Torres Strait Islander?' and record this information in KIMS
Asylum seeker and refugee children	<p>Child or family holds a visa or supporting documentation and information, including an ImmiCard, identifying the child and/or parents, carers or legal guardians as a refugee or asylum seeker and/or</p> <p>Referred as a refugee or asylum seeker by a CALD outreach worker.</p>
Children eligible for the Kindergarten Fee Subsidy	<p>A child or parent holds a Commonwealth Health Care Card, Pensioner Concession Card, Veteran's Affairs Card, or</p> <p>The child is identified on their birth certificate as one of a set of triplets, quadruplets or more.</p>
Children with additional needs, defined as children who:	<p>The child:</p> <ul style="list-style-type: none"> • holds a Child Disability Health Care Card, and/or • has previously been approved for Kindergarten Inclusion Support (KIS) program, and/or

<ul style="list-style-type: none"> • require additional assistance in order to fully participate in the kindergarten program • require a combination of services which are individually planned • have an identified specific disability or developmental delay 	<ul style="list-style-type: none"> • has been referred by: <ul style="list-style-type: none"> • the National Disability Insurance Scheme • Early Childhood Intervention Services • Kindergarten Field Officer • Maternal and Child Health nurse, or • is assessed as having delays in 2 or more areas and is declared eligible for a second year of funded Four-Year-Old Kindergarten.
--	---

Examples to consider for second priority

- children who turn four years of age by 30 April in the year they will attend kindergarten; or
- children who turn three years of age* by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET
- children who have a sibling that has previously attended the same kindergarten as their first preference
- home address falls within the same suburb as the kindergarten
- family lives, works, studies or attends child care in [LGA]

Examples to consider for third priority

- service for transient families e.g. RAAF, seasonal workers and tourism workers
- date of application
- local community zoning
- full fee paying families

Note: DE's PoA guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, PoA guideline will equally prioritise three and four-year-old children that are considered high priority. Where programs for three- and four-year old children are provided separately, the PoA criteria will be applied separately for each age cohort.

* Early Start Kindergarten and Three-Year-Old Kindergarten

During the roll-out of Three-Year-Old Kindergarten, Early Start Kindergarten (ESK) (*refer to Definitions*) will continue to provide 15 hours a week of funded kindergarten for all eligible children up until 2029, when three-year-old children across the state will have access to 15 hours

It is important to continue to enrol eligible children in ESK, even if funded Three-Year-Old Kindergarten is available at the service.

The Kindergarten Funding Guide 2023 states for ESK funding, service providers should:

- provide up to 15 hours in a kindergarten program free of charge and maximise access to 15 hours of kindergarten (children accessing ESK can be enrolled in a 3-year-old group, a 4-year-old group, a mixed age group or a combination of groups in order to access the full 15 hours per week)

This guarantees that children experiencing vulnerability will continue to be enrolled in the full 15 hours of kindergarten in all service settings, including long day care. It also ensures that service providers can continue to receive all funding entitlements.

Service providers are expected to continue to provide the full 15 hours funded through Early Start Kindergarten, even in instances where three-year-old groups are being offered fewer than 15 hours.

ESK is available to children who turn three years of age by 30 April in the year of enrolment and who:

- are Aboriginal and/or Torres Strait Islander
- have had contact with Child Protection
- have a refugee or asylum seeker background*

*Children/families without a current refugee visa or ImmiCard who have a recent refugee experience may be eligible by exception for Early Start Kindergarten, for more information contact your local Department of Education and office.

Refer to the Department of Education's website for up-to-date information: www.education.vic.gov.au

- All enrolment application forms must be accompanied by an enrolment application fee in line with Tunstall Square Kindergarten's Fees Policy. This fee is to cover administrative costs associated with the processing of a child's enrolment application and is not refundable.
- Completed enrolment application forms that are submitted online are to be forwarded to the person responsible for the enrolment process at the service, via the EnrolNow online platform.
- Access to completed enrolment application forms will be restricted to the person responsible for the enrolment process, the Approved Provider, Nominated Supervisor and educators at the service, unless otherwise specified by the Approved Provider.
- Applications will be automatically entered on the waiting list using the eligibility and priority of access criteria.
- Applications received after the above dates set by Tunstall Square Kindergarten will be considered if there are available places, and after all other applicants have been offered a place, in line with the eligibility and priority of access criteria of Tunstall Square Kindergarten.

1. Offer of places

- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until an up to date AIR Immunisation History Statement has been received, assessed and found acceptable.
- Tunstall Square Kindergarten requires parents/guardians who have been offered a tentative place to provide an up to date AIR Immunisation History Statement for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The "Key dates work form for immunisation and enrolment" in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:
 - The Immunisation enrolment toolkit for early childhood education and care services (search 'Immunisation enrolment toolkit')

- The Key dates work form for Immunisation and enrolment (search ‘Key Dates work form’)
- Hard copies of the immunisation resources ([search ‘immunisation resources order form’](#))
- The acceptable outcomes of the assessment for offering a confirmed place are:
 - That the next due vaccine for the child on the AIR Immunisation History Statement is within the acceptable timeframe for an enrolment, or;
 - That the child has been assessed by Tunstall Square Kindergarten as being eligible for a 16-week grace period
- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered, and the enrolment can proceed.
- Parents/guardians who **do not** have an up to date AIR Immunisation History Statement and whose child is **not** eligible for the grace period cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 3– Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the funded kindergarten program will be made at the same time.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify the Approved Provider, or the person responsible for managing the enrolment process at the service, in writing as soon as possible.
- An enrolment record and other relevant information will be provided by Tunstall Square Kindergarten to the parent/guardian after a confirmed place has been accepted and the fee has been paid.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

Enrolment

Once a kindergarten place has been accepted, the enrolment process can begin.

To enrol a child, families will need to provide copies of (if not already done so):

- Proof of identity: child's birth certificate, birth notice or passport
- Concession cards and immigration visas (where applicable).
- Documents from Family Support Services or a Maternal and Child Health nurse confirming high support needs and/or disability or letter from a doctor for complex medical needs (where applicable).
- Immunisation History Statement (unless experiencing vulnerability or disadvantage, at which point they can take advantage of a 16-week ‘grace period’. More information is available at <https://www2.health.vic.gov.au/public-health/immunisation/vaccination-children/no-jab-no-play/immunisation-enrolment-toolkit>)
- Documents detailing any medical conditions or requirements the child has.

* Where a birth certificate cannot be produced, other acceptable evidence of a child’s full name and date of birth includes:

- statement from the Australian Immunisation Register (AIR)
- Medicare card
- letter from the doctor or midwife who attended the birth
- doctor’s note attesting to a child’s age
- passport
- citizenship documents or Australia visa documents or Immicard.

Kindergartens may also require additional documentation. The kindergarten should ensure that information regarding any additional documentation is easily accessible for families, carers and support services.

Enrolment Records

Enrolment records (*refer to Definitions*) form part of the enrolment procedure and are completed by families after they have been allocated a place, and before commencing attendance. An example enrolment form can be found on the DE website:

www.education.vic.gov.au

Cancellations

Families to notify Tunstall Square Kindergarten in writing of their intention to leave the service.

Second year of funded Four-Year-Old Kindergarten

- All children in Three-Year-Old Kindergarten will be expected to transition to Four-Year-Old Kindergarten in the following year. A funded second year of kindergarten will only be available for children in the Four-Year-Old Kindergarten program who meet the criteria.
- Families of children who have been determined as eligible for a second year must complete and submit a kindergarten registration form for a second year, signed and dated by the early childhood teacher.
- It will be weighted with the relevant points and allocated accordingly.
- A Declaration of Eligibility Form for a second year of kindergarten must be completed and submitted to the relevant funding authority.

Early entry to Four Year Old kindergarten

- Early entry to Four-Year-Old Kindergarten may be appropriate for some gifted children where families are seeking an early entry to school for their child i.e. the child will not be 5 years of age before 30 April in the year of school commencement.
- Early entry to school is approved only when exceptional circumstances apply and is subject to an application process and rigorous eligibility criteria. It is important to note that most children who enrol early in 4-Year-Old Kindergarten are not approved for early entry into school because they did not meet the eligibility criteria.
- The decision regarding early entry should be discussed with parents/guardians and consider the following:
- children are not guaranteed early school entry as a result of being enrolled to attend kindergarten early
- to start school early the child must possess suitable academic ability as evidenced by a formal cognitive assessment, and be considered at risk of long-term educational disadvantage if early entry to school

Should parents, carers or legal guardians decide to request early entry to Four-Year-old Kindergarten for their child, the following requirements must be met:

- the child must be at least 3 years and 6 months on or before 30 April in the year they attend the funded kindergarten program
- parents, carers or legal guardians must make a written request for early entry to school to their local Area Executive Director or directly to the principal of a non-government school dependent on whether the child is intending to attend a government or non-government school
- parents, carers or legal guardians must provide the kindergarten service provider with a written response from the department or the nongovernment school acknowledging the family has requested early entry to school
- the kindergarten service provider must keep a copy of the written response from the department or non-government school with the child's kindergarten enrolment records.

Children Older than the Eligible Preschool Age

- Children who will turn six during the preschool year must apply for an exemption from school from the relevant their local ECIB that their child is seeking an exemption from school by submitting an Exemption from school due to attendance in kindergarten program form to the appropriate departmental regional office by 1 November in the year prior to the child turning 6.
- The kindergarten service must sight the approved exemption form from relevant education authority and note that it has been sighted on the child's enrolment record. Data on the number of children attending Kindergarten who are six years plus, and confirmation that the exemption was sighted for each child, must be provided as part of funding data collection process.
- Children who will turn 6 while attending their second year of Four-Year-Old Kindergarten can be exempted from school if a Declaration of eligibility for a second year of funded kindergarten has been completed by the child's kindergarten teacher.

Withdrawal/Deferral

Some children who have commenced Kindergarten may benefit from withdrawing from the program, in order to access Kindergarten in the following year.

- A withdrawal can occur without any impact on government funding for that child's place the following year, only if it is implemented **before** the first funding data collection.

[Insert date]

Dear [insert name]

Re: Enrolment at Tunstall Square Kindergarten for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at Tunstall Square Kindergarten in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence of immunisations and is used to assess whether your child is fully vaccinated for their age.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register: www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register
- Better Health Channel website: www.betterhealth.vic.gov.au/campaigns/no-jab-no-play

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by an AIR Immunisation History Statement. The new application would be considered in line with Tunstall Square Kindergarten's *Enrolment and Orientation policy*.

Yours sincerely
